

morning host on 770 KOB on March 3, 1980. But he began his career in his native southern California.

A job offer in Roswell brought Larry to the New Mexico airwaves in late 1972. Apparently his talent was clear even then, as an El Paso station owner traveling through Roswell heard Larry on the air and ended up offering him a job. Ahrens spent two and a half years in El Paso before coming back to New Mexico to begin his long run as host of KOB's morning show.

Over the years, I've observed that a lot of radio personalities come and go. Larry has been a steady and reliable fixture on KOB, which I attribute to the fact that his show mirrors the community. He has served New Mexico with integrity, opening his mike to air the views of the day—whether they come from young mothers on Albuquerque's West Side, retirees in the Heights, or even the occasional politician.

Part of Larry's appeal is linked to the fact that his job is more than sharing with New Mexicans between 5:30 and 10:00 a.m. Like so many others, I appreciate Larry as an active member of the community and a key supporter of important civic causes. One example is Larry's annual golf tournament for the University of New Mexico's academic scholarship program, now in its 18th year. He has raised more than \$600,000 to give scores of New Mexico students an opportunity to continue their education.

Larry and the morning show he hosts play a welcome role in the day-to-day lives of many New Mexicans. Where once I could only enjoy Larry's broadcasts when in New Mexico, I am pleased that technology is now so advanced that I can listen to his show live on the Internet. It's almost like being home.

Times may have changed since Larry first took to the airwaves, but his presence has remained constant for 20 years. Today, I think it would be fair to say Larry reigns as the premiere morning show host in Albuquerque.

Mr. President, I congratulate Larry Ahrens on this career milestone, and salute his contributions to New Mexico throughout his impressive career. Finally, I add my voice to those thousands and thousands of New Mexicans who look forward to tuning into the radio to hear Larry's show for years to come.●
